PRODUCT SPECIFICATION SHEET

Natuur Comfort single seat with backrest

Article number: 20002781

Series: Natuur Comfort

Product description

The benches from the Natuur comfort line are characterized by their simplicity and beautiful details. The furniture is suitable for any surface and can therefore be placed in public spaces, but also in forests or parks.

The Nature Comfort line is made entirely from FSC wood that has been preserved and comes from the Dutch forests of the Dutch forest organization Staatsbosbeheer. The design is contemporary and friendly.

Characteristics

- Entirely out of wood
- Simplicity and beautiful details
- Suitable for any location

This unique furniture is the result of a collaboration between Staatsbosbeheer and Grijsen.
