Article number: 20001573

Series: Cruzado

Product description

The Cruzado is a beautiful bench in locations where street furniture **does not** have to dominate. The Cruzado made of steel is subtly designed and therefore fits into **any outdoor space**. The **The wooden seat gives this bench a warm look**. This wooden version is the **perfect mix** between a chic and a **modest** bench.

Features

- Also available in a steel version.
- Ergonomic design
- Subtle bench

Materials

The base is made of steel and is well treated. The steel is **hot-dip galvanized** and provided with a **two-layer powder coating**. This ensures that the steel is protected against various weather influences and thus can last for years in the outdoor area. The steel can be coated in any RAL or AKZO color. The seat of the Cruzado is made of hardwood that comes 100% from FSC-certified forests. The wood has thus been harvested responsibly. The wood comes from the **highest durability class** and has a long life.
