

Cruzado single seat with backrest (wood/steel)

Article number: 20001571

Series: Cruzado

Product description

This Cruzado single-seater with a backrest contains the best of two benches. This bench is made of both wood and steel. It makes the bench a **worthy addition** to public spaces. The combination of the **warm look** of the wood and the **sleek look** of the beam makes the bench unique. The seat of this bench is made of wood and the backrest is made of steel.

Features

- Also available in a steel version.
- Ergonomic design
- Subtle bench

Materials

The base is made of steel and is well treated. The steel is **hot-dip galvanized** and provided with a **two-layer powder coating**. This ensures that the steel is protected against various weather influences and thus can last for years in the outdoor area. The steel can be coated in any RAL or AKZO color. The seat of the Cruzado is made of hardwood that comes 100% from FSC-certified forests. The wood has thus been harvested responsibly. The wood comes from the **highest durability class** and has a long life.

Extra information
