

Grid element 2

Article number: 20001707

Series: Grid

Product description

Grid element 2 is made of concrete and has a length of 2000 mm. It is thus twice as long as Grid element 1. This element is not equipped with a wooden seat. The element can be coupled with the other nine elements of the Grid series.

Features

- Endless combination
- Playful appearance of the elements
- A high degree of flexibility

Endless combinations

The seating elements in the Grid series are special. The bench series consists of a combination of **wood** and **concrete** and has a solid appearance. Within the series, several elements can be linked. Think of straight seating elements, with/without backrest and curved elements. Everyone has **the choice of** what the bench should look like. With all these options, the combinations are endless.
