

Grid stool 2

Article number: 20001702

Series: Grid

Product description

Grid pouf 2 is the largest pouf within the series. The element is made of concrete and has a diameter of Ø 600 mm. This pouf is a playful addition to the rest of the Grid elements.

Features

- Endless combination
- Playful appearance of the elements
- Can be placed separately next to the other Grid elements

Endless combinations

The seating elements in the Grid series are special. The bench series consists of a combination of **wood** and **concrete** and has a solid appearance. Within the series, several elements can be linked. Think of straight seating elements, with/without backrest and curved elements. Everyone has **the choice of** what the bench should look like. With all these options, the combinations are endless.
