

Lounge element 3

Article number: 20000354

Series: Lounge

Product description

Lounge element 3 is made of concrete and has a length of 2000 mm. This element is equipped with a wooden seat. The element looks like Lounge element 2, however, there is a difference. The seating surface on top of the element extends to the half. This gives a special twist to the element. The element can be combined with the other elements from the Lounge series.

Features

- Combinable element
- Suitable for sitting and lying
- Beautiful combination of wood and concrete

100% FSC-certified wood is used in the production of the seat. This means that the wood was harvested sustainably and responsibly. The hardwood used comes from the highest durability class. This means that the wood has a long life and will therefore last for years in public spaces. The color of the concrete is gray.
