

Quadrat single seat

Article number: 20001149

Series: Quadrat

Product description

The Quadrat single seat bench clearly shows the **simplicity** and **finesse** of this bench. The legs with a V-knot immediately catch the eye. This in combination with the 100% FSC-certified wooden seating surface makes this single-seater bench a **fine specimen** for public spaces.

Features

- Robust design
- Subtle bench
- Base available in corten steel

Pure and honest

There are not many benches where **simplicity** and **sophistication** come together as beautifully as they do in the Quadrat benches. The wide wooden beams of the seating surface are **robust**, pure, and honest. The legs, which sit at the ends of the seating surface, look like steel blades. This makes the Quadrat a beautiful outdoor bench that fits into both **urban** and **green public outdoor spaces**. The bench glories in simplicity.

Material

The bench is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the bench, like our other products, will last a long time in public spaces. The seat is made of untreated hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood has been harvested sustainably and responsibly.

Extra information

Length

1800 mm

Width

400 mm

Height from ground level

456 mm

Material seat surface

FSC 100% hardwood untreated, durability class 1
