

Bend single seat (slats)

Article number: 20002030

Series: Bend

Product description

The **Bend single seat** with **slats** is a **beautiful and elegant** version within the Bend series. The steel base forms a beautiful whole with the **narrow, wooden slats** in the seat. The bench has a **soft appearance** due to the combination of the design and the wood. This Bend line fits well into the current street scene. The design is contemporary and friendly due to the rounded corners.

Features

- Contemporary design
- Three different variants
- Elegant design

Material

The base of the bench is made of steel. The steel is hot-dip galvanized and two-layer powder coated. This treatment ensures that the bench is protected against various weather conditions. The seat is produced from wood that comes 100% from FSC-certified forests.
