

Bend single seat with backrest (slats)

Article number: 20001851

Series: Bend

Product description

The Bend single seat with slats is a **beautiful and elegant** version of the bench within the Bend series. The steel base forms a beautiful whole with the **narrow, wooden slats** in the seat. This Bend line fits well into today's street scene. The design is contemporary and friendly due to the rounded corners. This version is equipped with a **backrest**.

This backrest is centered and does not extend to the ends of the bench. This gives a special twist to this Bend bench. The backrest is not only beautiful but also very **functional**. The backrest allows visitors to public spaces to sit comfortably on the bench. The bench has a **soft** appearance due to the combination of the design and the wood.

Features

- Contemporary design
- Three different variants
- Elegant design

Material

The base of the bench is made of steel. The steel is hot-dip galvanized and two-layer powder coated. This treatment ensures that the bench is protected against various weather conditions. The seat is produced from wood that comes 100% from FSC-certified forests. The wood is harvested sustainably and responsibly.
