

Bend square (slats)

Article number: 20002221

Series: Bend

Product description

A special variant within the Bend series is the ottoman. This pouf has a **tough appearance**, but through the use of the **narrow, wooden slats** the pouf remains elegant. A beautiful and special seating element for public spaces. This pouf with wooden slats is a nice addition to the similar Bend bench with wooden slats, but on its own, it certainly suffices in the outdoor space. A **large number of people** can sit on the pouf to enjoy the surroundings.

Features

- Contemporary design
- Three different variants
- Elegant design

Material

The base of the bench is made of steel. The steel is hot-dip galvanized and two-layer powder coated. This treatment ensures that the bench is protected against various weather conditions. The seat is produced from wood that comes 100% from FSC-certified forests. The wood is harvested sustainably and responsibly.
