The Plane picnic set Swing combines well with the other picnic sets and benches of the Plane series.

Characteristics:

- A playful alternative to the 'standard' picnic set
- Easy to take a seat
- Fully modular construction

Materials

The picnic set is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the picnic set, like our other products, will last a long time in public spaces. The seatings and the table top are made of untreated hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood has been harvested sustainably and responsibly.
