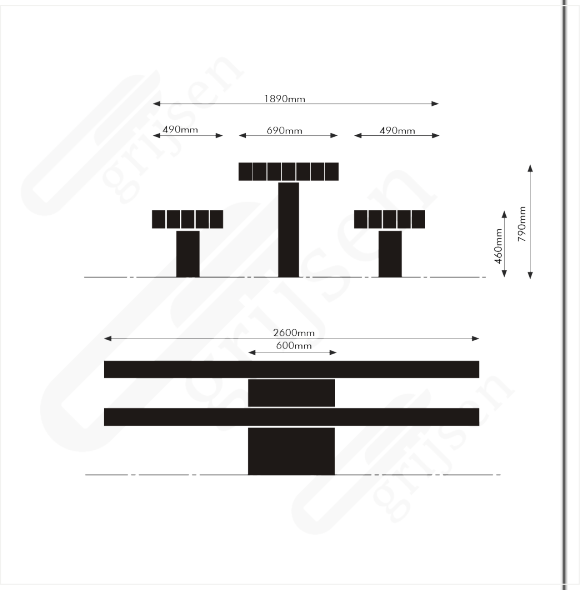
Plane II picnic set

Article number: 20002471

Series: Plane II



Product description

Picnic set Plane II is the updated version of the standard picnic set Plane. This beautiful appearance fits perfectly into today's streetscape due to its modern design. The Plane II is a robust picnic set with a friendly character. The picnic set is designed based on the style of the Plane II outdoor benches. The Plane II picnic set is a beautiful object on its own, but in combination with other Plane II benches, it looks even better.

Characteristics:

- Combines well with Plane II sofas
- Further development of the Plane picnic set
- Luxurious and high-quality appearance

Materials

The picnic set is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the picnic set, like our other products, will last a long time in public spaces. The seatings and the table top are made of untreated hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood has been harvested sustainably and responsibly.
