

Quadrat picnic set

Article number: 20002157

Series: Quadrat

Product description

There are few outdoor benches where **simplicity** and sophistication come together as beautifully as in the Quadrat bench series. With the Quadrat picnic set, this is no different. The wide wooden beams of the seat are robust, **pure, and honest**. The refinement is in the legs of the bench and table: steel tops with a subtle V-knot. The result is a **handsome picnic set** that fits into both urban and park settings. Since the Quadrat picnic set consists of separate elements, it is possible to add a **backrest** to one or both benches. This makes it even more comfortable to sit at the picnic table.

Features

- Base available in corten steel
- Easy to take a seat
- Distinctive in simplicity

Material

The base is made of hot-dip galvanized and powder-coated steel. The steel can be coated in all possible RAL colors. The picnic bench can also be made with a frame of sandblasted Corten steel. The corten steel gives the bench a more natural look.
