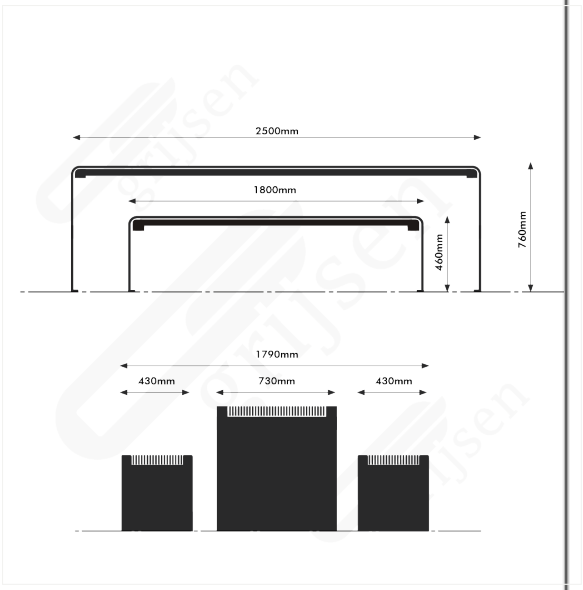
Bend picnic set

Article number: 20002072

Series: Bend



Product description

The Bend picnic set is a **beautiful and robust** picnic set that fits in with the line of Bend furniture. With its contemporary design, this picnic set fits well into today's streetscape. The picnic set consists **entirely of steel** and is therefore resistant to rough handling. An additional advantage is the fact that the picnic set is quickly dry after a rainstorm. Visitors to the outdoor area can therefore quickly take back their seats at the table for a picnic.

Features

- Contemporary design
- Matching sofa series
- Elegant design

Materials

The base of the benches and table is made of steel. The steel is hot-dip galvanized and two-layer powder coated. This treatment ensures that the bench is protected against various weather influences and can take a beating. The bench can be coated in all possible RAL or AKZO colors. The bench can thus be adapted to the color of the environment.
