

Plane Eco double seat (Douglas/ corten steel)

Article number: 20003514

Series: Plane

Product description

The Plane double seat bench offers the opportunity to sit on **both sides of the bench** at the same time. Ideal in an environment where **many people** want to rest and relax for a while. This Plane double seat is then the perfect solution. The combination of steel and wood gives a robust and **warm appearance** to the public space. With this, the Plane fits into any environment. **Beautiful in all its simplicity.**

This outdoor bench for public spaces is made from preserved Douglas fir with Corten steel

The Plane double seat can be combined with the fifteen other variants of the Plane series. The design of the Plane is well thought out and the clever leg construction makes it possible to easily link several Plane benches together. This allows you to 'Endlessly combine'.
