

Plane double seat with backrest A

Article number: 20003166

Series: Plane

Product description

This Plane double seat with a backrest A offers the option of **sitting on both sides**, along with a backrest, increasing seating comfort. An ideal bench for sitting, relaxing, and meeting. The bench is suitable for **busy locations** where many people come to visit. The bench takes up relatively little space but provides plenty of seating for visitors to the public space. In this way, the public space can be arranged **efficiently**. This bench can be made of **hardwood** or **preserved Douglas fir**. A version is available for both below- and at ground level.

Features

- Applicable in any outdoor space
- Additional seating comfort through the backrest
- Efficient filling of outdoor space

Extra information

Endless combination

The Plane double with backrest seat can be combined with the fifteen other variants of the Plane series. The design of the Plane is well thought out and the clever leg construction makes it possible to easily link several Plane benches together. This allows you to 'Endlessly combine'. Grijssen can also produce the Plane to order upon request.

Materials

The bench is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the bench, like our other products, will last a long time in public spaces. The seat is made of untreated hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood has been harvested sustainably and responsibly.
