

# Cone

Article number: 80000210

Series: Cone

## Product description

The smooth finish and round design of the Cone planters and tree tubs ensures that all plant types are shown off to their best advantage.

- The planter can be moved easily.
- The panels of the indoor and outdoor planters can be dismantled. This makes it possible to replant trees from the planter and reuse the tree tub. In case of damage, it is possible to replace the outer panels individually.

The Cone planters and tree tubs are available in **two sizes** and have a **diameter** that gradually increases from the bottom to the top.
