

Lineo

Article number: 80000083

Series: Lineo

Product description

The Lineo planters and tree planters have a straightforward and robust appearance. The square shape ensures that Lineo can be used in many places.

- The planter can be **moved easily**.
- The outer panels and the indoor container can be dismounted. This makes it possible to **replant trees** from the planter and **reuse the planter**. In case of damage, it is possible to **replace the outer panels individually**.

The planters and tree tubs Lineo are **available in four sizes**.

Extra information
