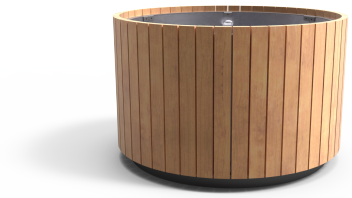
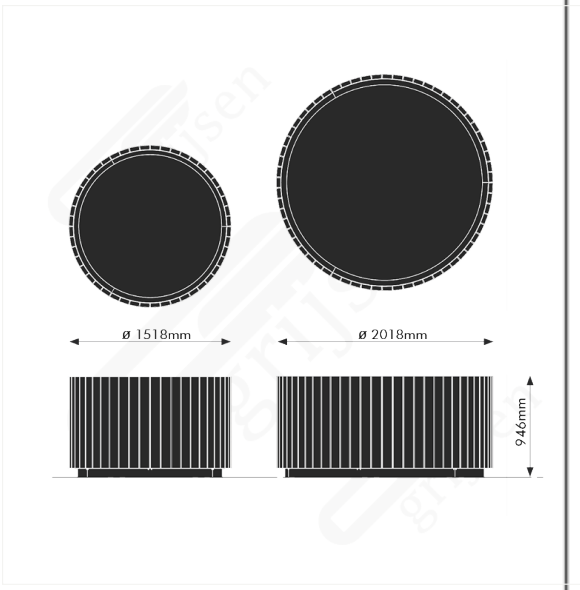
Rondo - wood

Article number:

Series: Rondo





Product description

The **Rondo planters and tree planters** have a cylindrical shape with a wide upper rim.

- The planters can be moved easily.
- The panels of the indoor and outdoor planter can be dismantled. This makes it possible to replant trees from the planter and reuse the tree trough. In case of damage, it is possible to replace the outer panels individually.

The plant and tree trough Rondo is **available in two sizes**.
