Wenters picnic table

Article number: 20003342

Series: Wenters

Product description

This steel Wenters picnic table has a modern look. By combining this table with the outdoor bench Wenters with backrest or outdoor bench Wenters without backrest, the picnic set can be put together to fit in perfectly with the surroundings.

Thanks to the use of horizontal steel rods, the picnic set is quickly dry after a rain shower, as rainwater does not stay on it.
