PRODUCT SPECIFICATION SHEET

Quadrat Eco 142

Article number: 10001461

Series: Quadrat II

Product description

The **Quadrat Eco 142** is a robust 140-litre litter bin with a corten steel body. Its strong construction and clean lines contribute to a lasting street presence. A sleek **SS304** version is also available. Circularly built, allowing for easy repair and long-term reuse in public settings.
