PRODUCT SPECIFICATION SHEET

Quadrat 72 Duo adapter

Article number:

Series: Quadrat II

Product description

For **dual waste separation**, two **Quadrat 72** or **Quadrat Eco 72** litter bins can be linked using a duo adapter. Each bin can be finished in a different colour to emphasise separate waste streams — practical and visually clear for users in public areas.

Extra information

Connects two 70L bins (Quadrat 72 or Quadrat Eco 72) side-by-side

Material:
4 mm galvanised steel

Weight:
24 kg

Options:
The set of two Quadrat 72 waste bins can be supplied with:

- Custom-designed stickers for waste separation (square): see design specifications
