PRODUCT SPECIFICATION SHEET

Deposit bracket (green)

Article number: 10053065

Series: Accessoires afvalbakken

Product description

The deposit bracket makes it possible to leave deposit bottles and cans on the street separately. Not in a separate fraction of a litter bin but in a handy holder on the outside of the bin. People that want to collect the deposit can easily take the bottles and cans and hand them in.

Extra information

Height	514 mm
Width	170 mm
Material	Staal,
Capacity	8 cans or bottles
Weight	1,9 kg
Including	two stickers and fixing material
Colour	RAL 180 80 15
Fixing	Thanks to the universal attachment system, the deposit bracket can be easily attached to the side of a waste bin. This makes it also suitable for other waste bins in public spaces
