

Plane Plus double seat with comfort backrest

Article number: 20001071

Series: Plane

Product description

This Plane Plus double seat with comfort backrest offers an extra-large seating area, an extra-wide base, and also a backrest. The wide legs create an even more robust appearance that looks very nice together with the large seating area. The large seating area in combination with the backrest ensures that one can sit comfortably on both sides of the bench.

Features

- Wide base
- Seats on both sides
- Additional seating comfort through the backrest

Extra information

Endless combination

This Plane bench can be combined with the fifteen other variants of the Plane series. The design of the Plane is well thought out and the clever leg construction makes it possible to easily link several Plane benches together. This allows you to 'Endlessly combine'. Grijssen can also produce the Plane to order upon request.

Materials

The bench is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the bench, like our other products, will last a long time in public spaces. The seat is made of untreated hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood has been harvested sustainably and responsibly.
