

Retro single seat with backrest

Article number: 20002446

Series: Retro

Product description

The Retro single seat with backrest is one of the latest additions to Grijssen's outdoor bench assortment. This bench goes backrest to the past but in a **modern way**. The **unique design and chic finish** make this bench extra special. The bench has a nostalgic look and is very suitable for A-locations. A suitable location is for example in **the center or a town square**. The details make this bench extra special: the curved steel of both the arm and backrest and the wood on the armrests.

Features

- Unique design
- Living room feeling in the outdoor space
- stylish appearance

Materials

The Retro bench is hot-dip galvanized and two-layer powder coated. This makes the bench, like the other products, last a long time in public spaces. The seat and armrests are finished with hardwood. This wood is 100% sourced from FSC-certified forests. This means that the wood was harvested sustainably and responsibly.
