

# Plane II double seat with backrest

Article number: 20001372

Series: Plane II

## Product description

The Plane II double seat with backrest offers all the possible elements of the Plane II benches in one bench. Thanks to the double seating, you can sit on **both sides** of the bench. This allows more people to enjoy this bench. The addition of the backrest also makes this double bench **extremely comfortable to sit on**. This backrest continues in one line from the base. This makes the bench perfectly balanced. The Plane II double seat with a backrest is perfect for sitting, relaxing, and meeting. In addition to the outdoor benches, a picnic set is also available within the Plane II series.

### Features

- Floating effect
- Additional seating comfort through the backrest
- Efficient filling of outdoor space

### The floating bench

The Plane II is characterized by the same **robustness** as the Plane, but with a **softer look**. The softer look is achieved by rounding the corners of the wood. In addition, the base consists of only a single leg. This makes the bench seem to **float**. This creates a quiet and modern look.

### Materials

The Plane II double seat with backrest is produced from steel and wood. The steel is hot-dip galvanized and two-layer powder coated in a RAL color of choice. This ensures that the bench, like our other products, will last a long time in public spaces. The seat is made of untreated hardwood. The wood is 100% sourced from FSC certified forests. This means that the wood has been harvested sustainably and responsibly.

## Extra information

**Length**

2600 mm

**Width**

1090 mm

**Height from ground level**

851 mm

**Length backrest**

1600 mm
