

Pure square (1500)

Article number: 20002536

Series: Pure

Product description

A special variant within the Pure series is the Pure footstool. This pouf has a **very tough** and **robust appearance**. This is mainly due to the square shape. The Pure stool is made from the same type of wood as the Pure benches. Instead of one wood beam, as with the benches, the Pure consists of four wooden beams. Together these form a **square** pouf.

Thanks to its shape and dimensions, the Pure pouf offers **plenty of seating**. Visitors to the outdoor space can sit on all sides of the pouf. There is even room to lie down. The Pure pouf is **a playful addition** to the Pure series. The pouf can be **combined** well with the benches in the series. Also with the Pure pouf, Grijssen has deliberately chosen 100% FSC certified **domestic Douglas** trees from the forests of the Dutch Forestry Commission.

Extra information

Length

1460 mm

Width

1460 mm

Height from ground level

460 mm

Material seat surface

Preserved Dutch douglas wood
